DR. F. M. BROOKS FOR CONGRESS

Nominated by Republicans In Convention Held This Afternoon

ELECTION MAY 27

Seventy-Five Delegates Present—J. W. Gregg Chosen Chairman—H. A. Sager Secretary.

Dr. F. M. Brooks, of Fairfax county this afternoon was nominated for Congress frm the Eighth district by the District Republican convention which convened at 1 o'clock jn the Elks Hall.

Dr. E. M. Brooks was placed in nomination by L. L. Freeman, of Fairfax county and his nomination was seconded by delegates from practically every county in attendance.

Joseph L. Crupper, state chairman, who was among those who seconded his nomination, declared that the democrats will not again go to Congress frm this district on roller skates.

Dr. Brooks took occasion to thank the convention for the honor bestowed on him.

A permanent organization was effected by the election of J. W. Gregg as chairman nad H. A. Sager as secretary, this being the recommendation of the committee on organization which was appointed after the convention was called to order.

The committee on resolutions in their report reaffirmed their allegiance to the republican party; commended to all citizens the advisability of admistering the affairs of the government to the representatives of the party, that the government may be efficiently and economically administered; that all industries may receive fair protection thus insuring the best conditions in the world for the laboring man; the best market, the home market, for the farmer and manufacturer, and the greatest prosperity for all the people.

That men on foreign soil be returned to their homes. The resolutions condemned the practice of the democratic party in Virginia in not declaring its principles in the party platform.

They also reported "We view with alarm the tendencies of the democratic party toward extreme socialistic policies of the government such as government ownership of vital industries.

They also recommended that a treaty of peace may be speedily proclaimed throughout the world.

The convention was attended by about seventy-five delegates. This was the most largely attended convention held in Alexandria in recent years. Every county in the district except Louisa was represented.

M. K. Loweery after being chosen temporary chairman complimented the delegates on the large attendance. The people throughout the country he said failed to respond to President Wilson's appeal in the last election to support the democratic candidates for congress.

Concluding his address he said: "It may not be that we can hope to elect our man, but stranger things than this have happened."

The speaker declared Wilson's star is fading adding that as far as he was personally concerned this country did not want any league of nations. We want a peace that will leave the constitution as famed by our forefathers he said. We are not willing to say we will police the world he declared.

The convention was called to order y John B. Grayson and J. W. Gregg of Loudoun was chosen secretary pro-tem. Afterward H. A. Sager, of Herndon, Fairfax county orrived and assumed the duties of secretary. L. L. Whitestone of Sulpeper acted as assistant secretary. The call for the convention was read by Mr. Gregg.

On motion of Joseph L. Crupper, committees were next appointed, this being done by roll call.

Mr. Grayson congratulated the delegates on the interest manifested by the large attendance present.

Joseph L. Crupper then moved that a rising vote be given in honor of the memory of the late Theodore Roosevelt. This was done by the convention.

Resolutions also were adopted to the memory of the late H. P. Dodge of Prince William county, former district chairman, who died since the last convention.

Committees on organization and resolutions appointed follow:

Alexandria city—John U. Schwarzmann, Organization; J. A. Eggborn, resolutions.

BOOTLEGGER THREATENS

Fredericksburg Sergeant Has Narrow Escape in Landing William Ruffin.

Richmond, April 14.—After a rough and tumble fight in which he is alleged to have attempted to shoot City Sergeant J. C. Chichester, a man who gives his name as William Ruffin, but who carries letters and telegrams addressed to a South Richmond man, is in jail at Fredericksburg charged with importing 279 quarts of whisky into the State. His high powered, seven passenger car, is also being held for the Prohibition Department.

Chief of Police C. B. Perry, of Fredericksburg, who, with Patrolman J. A. Stone, assisted Sergeant Chichester in making the arrest, was kicked in the ribs by the prisoner and is being treated in a Fredericksburg hospital.

The arrest was made yesterday morning on a new road connecting the National Highway with the White Oak Road. The officers were expecting Ruffin. They had seen him go North a few days before, and, it is said, knew that he was accustomed to come through the territory at about the time most of the officers would be at church.

Chichester and his associates blocked the road which they were certain the man would use in an effort to debour around the town of Falmouth. In due time he came. When he reached the obstruction, the officers say, he attempted to reverse his car, but Chichester jumped on the running board and demanded his surrender. Then it was that the man is alleged to have pointed an automatic pistol in Chichester's face and threatened to blow his brains out.

Chichester grappled with the man, Perry and Stone came to his aid and finally overpowered the prisoner, but not until Perry had been badly injured by a vicious kick in the ribs.

Ruffin told E. B. Dunford, attorney for the Prohibition Department, who was in Fredericksburg to visit the four agents being held there for the alleged murder of two men on the Valley Turnpike last month, that he was really trying to sneak through while the policemen were at church. The man, Mr. Dunford said, was covered with mud and told him that because of the bad condition of the roads he had been obliged twice to remove his liquor from the car.

WILL MAKE PLANS FOR CHANGE

Executive Committee Will Arrange for Circulating Petitions Among Voters

CHANGE GOVERNMENT

After Required Number of Signatures Are Obtained Special Election Will be Called by Judge of Circuit Court.

Resolved, that the permanent organization shall consist of a chairman, a secretary and executive committee of eleven, of which the permanent chairman and secretary shall ex-officio be members.

Resolved, that the temporary chairman appoint a committee of five to nominate permanent officers and the executive committee.

Charleston, W. Va., April 14.—Jesse Bowe, a mountain desperado, recently discharged from the State Penitentiary, about 10 days ago, again was taken into custody yesterday morning on Pain Creek, about 20 miles from here, on a charge of murder.

He is said to have killed a boy named Howard Green on Paint Creek last night and afterwards escaped over the mountains to Blue Creek, where he boasted that no officer could take him. Deputy Sheriff M. C. Melton, who heard of the boast knew nothing of the murder, but did know that Bowie had been indicted for attempted murder of a clerk in a store at Cedar Grove, and went after him. Bowie tried to get his gun to kill the officer, but Melton was too quick for him. After his arrival here. Bowie is said to have told the deputy sheriff that he had a trifling argument with the boy whom he had killed on Paint Creek, and that he had shot before thinking what a disgrace it would be to kill the youngster. Bowie is about 27, and has been in trouble frequently because of his alleged propensity for shooting under the slightest provocation.

PRICE OF PEACE FOR VICTORY LOAN

Picture to be Shown Next Sunday at Richmond Theatre

SPECTACULAR AFFAIR

Will be Pictorial Record of First American Attack on Chateau Thierry—Free to Public.

Announcement was made today by the Victory Liberty Loan Committee that a meeting will be held in this city on next Sunday at which time "The Price of Peace," a feature motion picture containing over five thousand feet of actual activities on the battle front in France during some of the hottest fighting, in which one of the photographers was killed, will be shown.

"The Price of Peace" contains the pictorial record of the first American attack on Chateau Thierry, and the spectator sees American soldiers drive back the Germans when it seemed almost impossible to check their advance. This picture also shows a spectacular air battle in which the German aeroplane is destroyed and this particular feature affords an opportunity to see a German aviator in action. Other activities of the army, navy and air forces are shown in "The Price of Peace." The American soldier is seen from the time of his enlistment until he crosses the Rhine. It shows his training, embarkation to France, life on the transport, his debarkation, and then in actual battle for peace and security of Church and State. Because the men who are seen to fall are really dead is why "The Price of Peace" is considered one of the greatest spectacles in the history of motion pictures.

This picture is the property of the United States Government and the admission will be free. It is shown to impress upon all Americans the blood cost of Victory.

Through the courtesy of the Alexandria Amusement Company the picture will be shown at the Richmond Theatre.

HUNS MAY BALK

Allies Prepare for Refusal to Sign at Last Moment

Paris, April 14.—Overshadowing every other question is the question whether the Germans will actually sign the peace treaty.

The suggestion that they will refuse to do so came from inspired sources. What will happen in that case, it is absolutely impossible to say at this time. But it can be said with authority that President Wilson's position is simply this:

"Determine and establish a peace with justice. Present it to Germany, if it is found unacceptable, the responsibility will not rest upon America."

There is no doubt that the spread of Bolshevism in Germany is increasing daily, even hourly. Whether it is bona fide or camouflage is impossible to determine. Agents of the President are now examining the situation. Their report may mean certain changes in the American plans.

DRANK WHISKY FROM DITCH

Thirsty Virginians "Put One Over" On Prohibition Officers.

Danville, Va., April 14.—Prohibition agents who Saturday seized and destroyed 40 gallons of moonshine whisky had not reckoned on the thirst of the crowd of spectators who watched the "killing." The liquor made a pool in a small ditch, and after the agents had disappeared a good deal of it was "salvaged," while others with cupped hands and on their knees drank their fill.

James Ballard, a mechanic of Dan River Cotton Mills, was arrested for having the liquor, and three negroes were also held as accomplices. According to one of the defendants, $800 was paid for the liquor which was poured away.

CARDINAL MERCIER TO VISIT AMERICA

Brussells, April 14. Cardinal Mercier, one of the heroic ecclesiastical figures of the war, today told a group of visiting American Congressmen at Louvain that he will visit the United States next October to thank the American people personally for their generosity to the Belgians.

VICTORY LOAN

Secretary Glass Announces 4 3-4 Per Cent Will be Paid on Certificates

The Victory Liberty Loan, which will be offered for popular subscription April 21, will take the form of 4 3-4 per cent three-four year convertible gold notes of the United States, exempt from State and local taxes, except estate and inheritance taxes, and from normal Federal income taxes. The notes will be convertible, at the option of the holder, throughout their life into 3 3-4 per cent three-four year convertible gold notes of the United States, exempt from all Federal, State and local taxes. In like manner the 3 3-4 per cent notes will be convertible into the 4 3-4 per cent notes.

"The amount of the issue will be $4,500,000,000, which, with the deferred installments of income and profits taxes payable, in respect to last year's income and profits, during the period covered by the maturity dates of Treasury certificates of indebtedness now outstanding, will fully provide for the retirement of such certificates," said Secretary Glass last night. "The issue will be limited to $4,500,000,000 except as it may be necessary to increase or decrease the amount to facilitate allotment. Oversubscriptions will be rejected and allotments made on a graduated scale similar in its general plan to that adopted in connection with the First Liberty Loan. Allotment will be made in full on subscriptions up to and including $10,000.

"The notes of both series will be dated and bear interest from May 20, 1919, and will mature on May 20, 1923. Interest will be payable on December 15, 1919, and thereafter semi-annually on June 15 and December 15, and at maturity. All or any of the notes may be redeemed before maturity at the option of the United States on June 15 or December 15, 1922, at par and accrued interest.

"In fixing the terms of the issue the Treasury has been guided largely by the desire to devise a security which will not only prove attractive to the people of the country in the first instance, but the terms of which should insure a good market for the notes after the campaign is over and identical prices for the two series and should not affect injuriously the market for the existing bonds of the liberty loans.

"This will be the last liberty loan Although as the remaining war bills are presented further borrowing must be done, I anticipate that the requirements of the government, in excess of the amount of taxes and other income can, in view of the decreasing scale of expenditure, be readily financed by the issue of Treasury certificates from time to time as heretofore, which may be ultimately refunded by the issue of notes or bonds without the aid of another great popular campaign such as has characterized the liberty loans."

SHOT BY SPECIAL OFFICER

Attempted to Shoot When Accosted Near Southern Railway Depot

Thomas Duncan, alias Henry Thomas, colored, was shot and probably fatally wounded today on Wilkes street between Alfred and Columbus by Louis C. Rector, a special officer of the Southern Railway Company.

Duncan is charged with breaking and robbing a camp car, and when the special officer accosted him today the negro resisted arrest, drew a pistol, each chamber of which was loaded and pointed it in the face of Mr. Rector. The latter quickly knocked it aside aimed his pistol at the darkey and discharged the weapon. The ball entered Duncan's right side near the heart. A crowd soon gathered and the wounded negro was conveyed to the Alexandria Hospital.

The special officer captured Duncan's pistol and turned it over to the police.

SIX DIE IN DUEL

County Officers Open Fire on Negroes at Millen, Ga

Millen, Ga., April 14.—Six persons were killed in a pistol battle between county officers and negroes near here yesterday afternoon, following the arrest at a negro church meeting of Edmond Scott, negro, with carrying a concealed weapon.

The officers were called to the church by a report that liquor was being distributed. As the officers approached the church they met Scott in an automobile with a negro preacher. The officers stopped the car and arrested Scott.

Other negroes intervened, and it is alleged Joe Ruffin opened fire on the officers. In the shooting that followed both officers, Ruffin's three sons and Scott were killed. After Stephens had been shot it is claimed his head and body were beaten by the crowd of negroes.

VICTORY LIBERTY LOAN

An article explanatory of the new victory liberty loan appears elsewhere in the Gazette. Terms of the loan were announced yesterday by Secretary Glass. They are: Amount, $4,500,000,000, oversubscription to be rejected; interest, 4 3-4 per cent for partially tax exempt notes, convertible into 3 3-4 per cent notes wholly tax exempt; maturity, 4 years, wilt the Treasury reserving the privilege of redeeming the notes in three years.

This will be the last liberty loan, Secretary Glass explained, although there will be other issues of government securities to finance belated war expenses. These will not be floated by popular campaigns.

The war for Liberty is now virtually over, and success has been perching upon the allied banners since last November. The previous loans had been made while the issue was in the balance—at a time when the champions of Liberty were, in their own words, "fighting with their backs to the wall." The battle has been won, but the nation needs more money, even as it did a year ago. There is much still to be done and many expenditures must be met ere the dove of peace shall find a place for the soles of its feet.

It seems to us that the people of the United States should be animated with a spirit of thanks offering, and this last appeal for a loan should be met with more enthusiasm than the previous calls.

A year ago the Huns were on their last March. They were throwing the British army back, recapturing ground lost a year or so before; Paris was again menaced, as were the channel ports. A London paper at that time attempted to prepare the minds of the allies for the loss of Calais and Dunkirk. The paper made this significant suggestion: "We may have to give up the channel ports."

While this was being read in the United States the sable shadow of Hindenburg was represented in cartoons as spreading over our Capitol in Washington.

After months of anxiety this shadow was driven away and sun more important to the world than that of Austerlitz began to rise. The Huns had been halted; later they began to retreat; the offensive changed from the Germans to the allies; Marshal Foch kept them going, going, until worn out, defective in morale and hungry, the enemies of Democracy were found cringing before the great Frenchman asking for an armistice.

Many pious souls in this world are wont to make thanks-offerings. They perform these consciantious acts after having recovered from dangerous illness, or the recovery of some dear one, or the passing harmlessly of some terrible ordeal which has long caused them anxiety. It is a beautiful custom, and we know of no other time for which our nation should be thankful than the present. Our liberties have been preserved, prosperity is in evidence everywhere and we should be anxious to have a part in this national thanks-offering.

We hope our old city will go over the top in subscribing to the new loan.

FARMER SLAIN IN CHAIR

Bloomsburg, Pa., April 14.—Joseph Carl, aged 65. a prominent Catawissa township farmer, was found dead in a chair in his home by relatives early yesterday with a bullet wound in his left temple and a revolver near the chair. It at first was thought to be a case of suicide, but when the safe in his home was found open with $500 which was known to have been in it missing, the relatives declared his death to have been murder. The authorities are investigating.

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute.

Dr. Edwards' Olive Tablets—the substitute for calomel — are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets.

These pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place.

Most headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "loggy" and "heavy." Note how they "clear" clouded brain and how they "perk up" the spirits 10c and 25c a box. All druggists.

STRIKE BOATMEN THREATENED

Discharge of 50 Boatmen Brings New Crisis

New York, April 14.—New York harbor is again threatened with a strike of boatmen as a result of the discharge of thirty members of the Marine Workers Affiliation for refusal to tow boats not on the list approved by the union.

Thomas L. Delahunty declared yesterday that unless A. H. Smith, regional director of railroads here, reinstates the discharged men, another harbor strike will be called which will effect a total paalysis of river traffic. Delahunty has called a special meeting of the boatmen today when he declared it was certain a strike will be called unless Regional Director Smith recedes from his position and takes back the thirty discharged men.

SAXON MINISTER SLAIN

Soldiers at Dresden Resent His Refusal of Hearing.

Copenhagen, April 14.—Herr Neuring, war minister in the government of Saxony, was killed at Dresden by disgruntled soldiers to whom the minister had refused a hearing. The war ministry was stormed by demonstrators, who dragged out Herr Neuring and threw him into the Elbe, where he was shot and killed as he tried to swim to the bank.

Wounded patients in the Dresden hospitals, says the Dresden dispatch detailing the occurrence, collected in the morning in the theater square to protest against an order issued by Herr Neuring to the effect that the wounded in future should receive only peace time pay.

SOLF AMBASSADOR

Berlin, April 14.—Former Foreign Secretary Solf has been named by several German officials as the man who will be the next German Ambassador to the United States.

It was pointed out that Solf never gave wholehearted support to the military regime in Germany and that he is familiar with American liberal views. He is considered to be of sufficiently large caliber to handle the point at Washington, which the Germans consider as one of the most important to be filled.
